Subject: Your paper AE-EC 1052 has been accepted
To: padma tatiparti <profpadmat@gmail.com>

Dear author,

Congratulations!!!. The review and selection process for your paper ID AE-EC 1052 entitled "Prediction Of Neurological Recover After Cardiac Arrest Using Deep Learning" has been complete. **Based on the recommendations from the reviewer(s) assigned for your paper, I am pleased to inform you that your paper has been ACCEPTED by the Technical Program Committee (TPC) for ORAL PRESENTATION** during the 2024 International Conference on Advances in Modern Age Technologies for Health and Engineering Science (AMATHE 2024) to be held at PES Institute of Technology and Management (PESITM), Shivamogga, Karnataka, India during 09 – 10, May 2024 . I am also glad to inform you that the proceedings of AMATHE 2024 will be submitted to be published in IEEE Xplore. **Please find the review feedback of your paper at the bottom of this email**. Please revise your paper and incorporate all the suggestions in the Camera Ready Paper. Please note that the paper will not be considered for presentation if not revised as per the comments.

Registration

The registration for AMATHE 2024 is already open, hence you are requested to **complete the registration process on or before 05.04.2024.** Registration form for AMATHE 2024 shall be found in the conference website under Downloads link.

If you are a member of IEEE and would like to avail the IEEE benefits on the registration fees, please send the scanned copy of your IEEE membership card with the membership number.

Checklist while submission of final files

The following documents shall also be submitted along with the camera ready paper.

1. Camera ready paper in IEEE double column format (in Microsoft office word file) or pdf copy in case of LaTex source file

2. Filled in registration form (scanned copy)

3. Proof for the registration fee paid through internet banking (Scanned copy)

Banking details and payment link
The registration fee may be paid from **debit/credit cards through the following link** (Foreign authors shall preferably pay through this link)

Indian Authors - Click here to pay online using debit/credit cards.
Foreign Authors - Click here to pay online using debit/credit cards.

Alternatively, you can directly transfer the registration money to the account given below

Registration fee transfer details

Through Google Pay (GPay) :
+91 99523 55936 (Rajkumar R)

Through PhonePe :
+91 99523 55936 (Rajkumar R)

UPI ID:
9952355936hdfc@axl

Please go through the registration page to know about the fees of your category. AMATHE 2024 will be held in HYBRID MODE. Participants shall choose their mode of presentation as per their convenience (either in Online or Physical).

Guidelines for Camera Ready Paper (CRP) preparation
Guidelines for submitting full length papers shall be available at our conference web-link under downloads section (http://amathe.in/downloads/). I suggest you carefully format your paper according to IEEE standards. Please check the following before submitting final camera paper:

1. Title should be clear and reflect the content of the paper precisely.

2. Author(s) name and affiliations are in order (Do not include the designation of authors such as Lecturer, Professor, Research scholar, student and so on..)

3. Do not include prefixes to any authors such as Dr., Mr and so on..

4. Please pay attention and ensure the language of the paper is good.

5. At-least five keywords must be provided

6. Citations of the references in the body of the paper is in line with the IEEE template.

7. Proposed method has been clearly explained.

8. The organization of the paper is good.

9. All the figures and graphs given in the paper are in good resolution.

10. All the equations are typed using equation editor software.

11. Reference list is in accordance with IEEE format. This is most important since we found a wrong format in a lot of papers.

12. Do not include the author(s) biography at the end of the paper.

13. Maximum number of papers shall be of EIGHT.

14. Please do not use first person pronouns such as I, we, us and extra throughout the paper.

15. In the acknowledgement section, do not acknowledge the co-authors and also the affiliated Institute/center.

Papers, not strictly following IEEE formats, may be declined to be indexed in IEEE Xplore by IEEE Inc., USA. The camera ready papers in Microsoft office word document shall be submitted to the same mail id (amathe@pestrust.edu.in) as soon as possible. Other formats of the camera ready paper such as Latex, pdf WILL NOT BE accepted by the AMATHE publication office.

For foreign participants, the invitation letter for the VISA application process shall be found in the conference website under downloads link.

Please do not hesitate to contact us for further queries (if any) at (+91) 97894 89103. Visit our website for the updates of AMATHE 2024.

We look forward to your participation in AMATHE 2024.

Many thanks for your support to AMATHE 2024.

With Best Regards,

Dr. Likewin Thomas

Organizing Chair, AMATHE 2024,

Shivamogga, Karnataka, India

Review Comments:

1. Abstract is well written and clear the idea of paper.
2. Use proper labeling for figures and table separately.
3. No citations are available in whole paper except literature review.
4. Hypothesis is well written.
5. Papers use for literature review bare not listed in references.
6. Formatting is required in paper.
7. All simulation results arrange properly under heading of results and discussion.
8. Conclude your paper in separate heading.
9. Use citations for models/figures that are used in paper.
10. Uniformity and linking is required till the end of paper.
